

Instructions On Viewing Slides of Our Products

First of all be sure to remember the **SLIDE NUMBER** and **DESCRIPTION** of the product that you like. You will need them if you decide to fill out the **Online Form** or download an **Adobe PDF Form**.

You have two options on viewing the forms. You can click on the link for **Photo Gallery** or the link for a **PowerPoint Presentation**.

PHOTO GALLERY INSTRUCTIONS

1. After you click on the Link you will see a picture titled "**1 Auto Mirror**". This is the **SLIDE NUMBER** and **DESCRIPTION**.
2. **CLICK** on the **AUTO MIRROR** to open up the picture gallery. You can view an enlarged version of the pictures one at a time by **CLICKING ON IT** or you can **CLICK SLIDE SHOW** upper right hand portion of the screen and just sit back and let the computer show you all the pictures. If you chose to view the pictures one at a time you can **CLICK THE ARROW KEYS** above the pictures in the upper right hand portion of the screen to advance to the next picture or you can go to a specific **PAGE** by clicking on it.
3. You can **CLICK STOP** at the top of the screen to allow you to view a card in detail and **CLICK PLAY** when you want to resume the **SLIDE SHOW**. Don't worry if you miss a card, you can **CLICK REVERSE DIRECTION** to let the slide show display the previous pictures.
4. You can also change the **SIZE** and the **DELAY** between slides.

POWERPOINT INSTRUCTIONS

1. After you click on the Link you might be asked if you want to **OPEN** or **SAVE** the Presentation. **CLICK OPEN** and wait for the presentation to appear.
2. When the first slide with the **AUTO MIRROR** appears you can **RIGHT CLICK** in the white vacant area of the slide to see a **FUNCTION POPUP**. The functions will allow you to:
?? **ADVANCE** to the Next Slide
?? **REVERSE** to the Previous Slide

5. **EDIT SLIDES** will also allow you to view a **SLIDE SHOW** where the computer displays the slides for you. Once you select **EDIT SLIDES** the **SLIDE SHOW** option will appear at the top of your screen in your browser.
6. **CLICK SLIDE SHOW** then select **VIEW SHOW** and it will begin.
7. You control how fast you want to view the next slide by the **CLICK OF THE MOUSE**.
8. To end the show you can **RIGHT CLICK** in any white area and **CLICK END SHOW** or you can **CLICK THE TRIANGLE** in the bottom left hand portion of the screen and select **END SHOW**.
